London:
one of the most desirable
cities in the world to live in.

London takes its rightful place among the
top cities to live and work in, with a lifestyle
that attracts people from across the world.
It is this very essence of the city that inspired
us to create Lodha Sterling.

The London Life.
There's nothing
quite like it.

London offers you the finest restaurants,
theatres, gardens, parks, and schools,
all a leisurely stroll from home. Now, so
does Thane.

Parks, gardens and
open spaces.
London is a breath of fresh air.

A report by the City of London Corporation ranked London as the 'greenest city' in Europe with 30 per cent open spaces – with plenty of parks, woodlands and gardens to choose from. Providing its citizens great spaces for walking, jogging and lots more. Now, inhabitants of Lodha Sterling enjoy this privilege too.

Low-rise, low-density
neighbourhoods defined
good ol' London.

Historically, London neighbourhoods are spread horizontally, with buildings of moderate height housing fewer residents, providing greater privacy and the luxury of space.

A rich heritage of
fine craftsmanship,
design and materials.

As one of the oldest cities in the world,
London has a rich heritage of craftsmanship,
design, and the finest building materials, that
give London its distinct character, and style.

A city steeped in
tradition and culture.

London has a long legacy of ceremonial
traditions, and a rich culture that's as
old as its monarchy. But why travel to
London to experience them?

London,
the playground of aristocrats.

From PG Wodehouse to Downton Abbey, the 'London aristocrat' has long been celebrated in English literature and drama, and continues to epitomise regal living even today with lavish homes and regal lifestyles. And it gives us great pleasure to bring this aristocratic way of living to residents at Lodha Sterling.

Make a sterling impression.

The pound sterling is the official currency of the United Kingdom.

The term ‘sterling’ is also used to connote something of a very high standard and quality. No surprise, it was the perfect fit for the latest offering from the house of Lodha – Lodha Sterling.

The life embraced by the aristocracy of London is now yours to experience, at Lodha Sterling. Living in a charming mansion block with an elegant stone and metal clad façade and beautiful interiors, at the edge of a sprawling park. Sipping a cup of Earl Grey tea while gazing out at the soothing greens from your window. Getting private access to a beautifully landscaped garden square, bursting with colourful summer flowers. Strolling down leafy avenues that are for pedestrians only, going for a run in a park around the corner, while the kids play in the open. Unwinding at an exclusive club, making new friends and relishing your new life.

There’s nothing quite like the aristocratic London Life,
wouldn’t you agree?

Live like a
London aristocrat.
